

Mustadim provides quality management, co-ordination & communication, sales & project management, and manufacture & installation services throughout the GCC.

The Company continuously develops its expertise since its establishment, and strides to achieve a high standard of services, products and plants to its customers.

It is the policy of Mustadim to provide our customers with products and services in accordance with the agreed upon details and investment.

Mustadim's Directors, Management and Staff are responsible for Quality Control through the Quality Management System seeking improvement by constant review, with customer, suppliers, and sub-contractors being encouraged to provide feedback. The Company is committed to achieving customer satisfaction through the implementation of quality processes and procedures that meet or exceed the requirements of ISO 9001-2015 standards.
